1. Understanding Cookies

Cookies are small text files placed on your computer, tablet, or mobile device by websites that you visit. They are widely utilized to enable primary website operations, improve navigation efficiency, secure administrative user sessions, and provide structured, non-identifiable statistical summaries to website controllers.

2. Categories of Cookies Used

We classify the cookies utilized on our platform into three primary tiers based on utility and consent requirements:

Strictly Necessary	Essential for standard website functionality, security protocols, and basic structural navigation. They do not harvest personal data.	Mandatory / Always Active
Analytical & Performance	Anonymously tracks visitor navigation counts, page interaction metrics, and traffic sources to optimize layout clarity.	Optional / User Opt-In
Functional & Third-Party	Enables embedded external elements, such as official interactive school maps, calendar feeds, or educational video resources.	Optional / User Opt-In

3. Managing Cookie Preferences

When you access our website for the first time, an interactive Cookie Consent Banner will prompt you to declare your tracking preferences. You have the total freedom to accept all cookies, decline non-essential

cookies, or fine-tune individual category metrics. You may modify or completely revoke your active cookie selections at any time by clicking the dedicated "Cookie Preferences" widget available in our website footer.

Furthermore, most modern web browsers enable you to clear or disable cookie installations globally via their internal settings panel (typically located within "Privacy & Security" menus).

4. Review and Updates

The Board of Management updates this policy periodically to maintain full alignment with emerging technologies and statutory guidelines from the Irish Data Protection Commission. For any clarifying inquiries regarding this cookie configuration, please contact us at info@mpetss.ie.
